HURRY, YOUR CARNIVAL CRUISE TO THE BAHAMAS AWAITS

You know the name, the laid-back attitude and where to find them, but you'll just have to visit The Bahamas to truly appreciate this classic cruise destination. On this 700-strong string of sun-splashed islands dotting the blue Atlantic, the living's easy. (And it's not bad on a Bahamas cruise either!) The central port of Nassau is the bustling capital of the country — "bustling" is a relative term, of course — while Freeport is all chill, all the time. And nothing is as delightfully desolate as Half Moon Cay and Princess Cays: pure private-destination paradise. Enjoy sailing, snorkeling, strolling pearly pink-sand beaches, and swimming through crystalline turquoise seas. Make Christopher Columbus' first stop your destination on a Bahamas cruise.
